

Colour Chart LIGNUM P-9000

Preservative water-based impregnator

Colourless

LIGNUM P-9000 is a water-based impregnator with biocidal function and preventive effect against fungi, woodboring insects and bacteria. It is suitable for all types of internal and external wood surfaces, just not exposed directly to the atmospheric agents. It can be applied as primer for wood surfaces needing a finish treatment or as finish for surfaces not exposed directly to the atmospheric agents.
